

Grace Family Update – 5/20/25

New Uniform Provider for Next School Year

I am pleased to provide more details about our new Uniform provider for the 2025-2026

school year. The Lord has led us to partner with Children's World Uniform Supply – a Christian family-owned business that has its own store located at 4525 Bee Ridge Road, Sarasota, FL 34233.

Children's World has been in existence since 1964. They pride themselves on providing a high-quality product at a reasonable price. They will maintain a supply of Grace's product in their store that can be purchased on the spot or can be quickly shipped to your home should you wish to utilize their easy-to-use website for on-line ordering.

<https://childrensworlduniform.com/cwusfl/product-category/school-uniforms/grace-christian/>

You can view their website and see the items that they will have available. Our items will be ready for purchase by mid-June. Items ordered before then will be processed as soon as the stock arrives.

Children's World has given us samples of the products they provide and sizing samples of the uniform shirts. These can be viewed at the school office.

In order to provide us with great service and a supply of shirts prepared to meet our needs, we have reduced the variety of colors from which to choose. Children's World polo shirts with the sword and shield logo will be available in Royal Blue, Navy Blue, and Heather Grey.

Just a Reminder..... Our uniform policy requires new uniform SHIRTS be purchased from our contacted provider (which will now be Children's World). Students may purchase and wear uniform bottoms from Children's World or from other sources.

Recognizing that we have had several uniform providers in recent years, students will be able to continue wearing uniform shirts from past providers as long as they continue to be serviceable.

In His Service,

Shawn Weeks

Grace Christian School
